Dear Ms. Boyd:

On March 10, 2021, the Public Service Commission (the "Commission") issued Order No. 2021-163 requesting comments related to "measures that have been, or will be taken, to: 1) mitigate the negative impacts of ice storms and other dangerous weather conditions to the provision of safe and reliable utility service, and 2) ensure peak customer demands on the utility system can be met during extreme weather scenarios." Order No. 2021-163. In response to the Commission's Order, Dominion Energy South Carolina, Inc. ("DESC") hereby files the attached document which provides DESC's comments regarding these matters.

Respectfully submitted,

/s/Belton T. Zeigler
